

Kindergarten Readiness Checklist

This checklist will help you stay organized while applying to Kindergarten. Use the <u>School Search Tool</u> to complete a search guided by your <u>priorities</u>. Depending on what type of school you intend to send your child to, some items may not apply. You want to start preparing for the application process at least ONE YEAR ahead of time as some application deadlines can be as early as November the year prior to when your child would enroll in kindergarten.

	Schedule a school visit for each of your top choices. (Click here for a more in-depth guide for what you should look for in a school visit.)
